Our newest members addresses, phone numbers, etc are at the end of this newsletter.

Tim Ancona, the owner of an IT company, Ticomix, was our speaker today. His topic was Top 10 Questions to Ask your IT Provider or IT Department. A summary of them includes:

1. Password Policy – do you use the same password everywhere. Two online solutions to password simplification are roboform and lastpass.
2. Administration passwords – security reasons within your organization
3. External security – firewall
4. File security/internal security – passwords for certain directories
5. Backups – can you restore files from your backups?
6. email – storage policy
7. Virus Protection
8. Software Licensing – be legal
9. Disaster recovery – how much time can you afford to be “down”?
10. Budget – How3 much can you spend on upgrades and new equipment

He concluded with some discussion points: Things you should discuss with your IT Consultant or Department.

If your IT Partner doesn’t understand your dreams, they can’t help you achieve them!

The Four Avenues of Service

Based on the Object of Rotary, the four Avenues of Service are Rotary's philosophical cornerstone and the foundation on which Club activity is based:

Club Service focuses on strengthening fellowship and ensuring the effective functioning of the Club. The committee organizes social activities for the Club, maintains and order supplies, promotes Club involvement and friendships.

Community Service covers the projects and activities the Club undertakes to improve life in its community. The committee supports the effort of the Club to achieve community understanding by developing projects, assisting in community efforts and supporting the continued overall improvement of the community.

International Service encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. The committee raises money for the Rotary Foundation which supplements Club and District projects to improve the quality of life, provide health care, clean water, food, education and other essential needs primarily in underdeveloped nations.

Vocational Service encourages Rotarians to serve others through their vocations and to practice high ethical standards. The committee provides opportunities for members to learn more about other vocations through weekly guest speakers, member vocational talks and community service tours.
