### SPEAKER'S NOTES

Diane Jones, President of the Center for Sight and Hearing was our speaker today. The Center began in the 1950's in a ranch home on the city's near northwest side. An Olympic sized pool and bowling alleys were added in the 1970's. But in the late 90's, they again needed more space for rehabilitation and workshops. Upon investigation it was decided to build rather than renovate for about the same cost.

The center serves all ages, from 6 months to 103 years. The numbers of people they serve has increased due to the number of premature births (hearing buds turn into ears in the last trimester) and the growth in the Hispanic population.

They have centers in Dixon and Crystal Lake for low vision only. Audiology services are only available in Rockford. They typically serve people in Southwest Wisconsin and Northern Illinois, but they really have no boundaries.

Vocational Rehab Services, adjustment counseling, technology training and communication services are all areas in which they serve the blind and deaf communities. They offer interpreters and captionists who help students on site in the classroom through the computer. They go wherever they are needed.

Thank you Diane for a very interesting presentation.

**REMEMBER TO SELL, SELL, SELL THOSE RAFFLE TICKETS. THESE ARE IMPORTANT MONIES FOR OUR BENEFICIARY ORGANIZATIONS\ Deadline is June 15th.**

### THE FOUR WAY TEST

Third, will it build goodwill & better friendships?  
Fourth, will it be beneficial to all concerned?

## The Four Avenues of Service

Based on the Object of Rotary, the four Avenues of Service are Rotary's philosophical cornerstone and the foundation on which Club activity is based:

**Club Service** focuses on strengthening fellowship and ensuring the effective functioning of the Club. The committee organizes social activities for the Club, maintains and order supplies, promotes Club involvement and friendships.

**Community Service** covers the projects and activities the Club undertakes to improve life in its community. The committee supports the effort of the Club to achieve community understanding by developing projects, assisting in community efforts and supporting the continued overall improvement of the community.

**International Service** encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. The committee raises money for the Rotary Foundation which supplements Club and District projects to improve the quality of life, provide health care, clean water, food, education and other essential needs primarily in underdeveloped nations.

**Vocational Service** encourages Rotarians to serve others through their vocations and to practice high ethical standards. The committee provides opportunities for members to learn
