SPEAKER: Paul Sletten - Owner of Brio and Crew restaurants and the newly opened **Jackson's** - executive suite/meeting facility above Brio. Paul purchased Bacchas in downtown Rockford about 2 ½ year ago. Since that time Paul has renamed and revised the facility into Brio. Paul is part of a group of downtown business owners, 38 in all, that are working together to revitalize the downtown area. Changes that have occurred as a result of this group are ... more flexible liquor "carrying" regulations during On The Waterfront ... longer street parking times. The group is also working with the City of Rockford to properly mark off-street parking in downtown Rockford and to increase the overall parking in the downtown area.

Since Brio has opened, Paul has also opened Crew - a specialty wine and lunch facility on E State Street...plus his newest endeavor is Jackson's - an executive suite and meeting facility above Brio. Brio send a weekly newsletter of upcoming events at the facility - to sign-up for this newsletter send an email to: www.briorockford.com.

- 3rd - the application of the ideal of service in each Rotarian's personal, business, and community life

THE FOUR WAY TEST

- First, is it the truth?
- Second, is it fair to all concerned?
- Third, Will it build goodwill & better friendships?
- Fourth, Will it be beneficial to all concerned?

The Four Avenues of Service

Based on the Object of Rotary, the four Avenues of Service are Rotary's philosophical cornerstone and the foundation on which club activity is based:

Club Service focuses on strengthening fellowship and ensuring the effective functioning of the club. The committee organizes social activities for the club, maintains and order supplies, promotes club involvement and friendships.

Community Service covers the projects and activities the club undertakes to improve life in its community. The committee supports the effort of the club to achieve community understanding by developing projects, assisting in community efforts and supporting the continued overall improvement of the community.

International Service encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. The committee raises money for the Rotary Foundation which supplements Club and District projects to improve the quality of life, provide health care, clean water, food, education and other essential needs primarily in underdeveloped nations.

Vocational Service encourages Rotarians to serve others through their vocations and to practice high ethical standards. The committee provides opportunities for members to learn more about other vocations through weekly guest speakers, member vocational talks and community service tours.
