- Fourth, Will it be beneficial to all concerned?

Rotary International Motto

“Service Above Self”

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

- 1st** - the development of acquaintance as an opportunity for service;
- 2nd** - high ethical standards in business and professions, the recognition of the worthiness of all useful occupations and the dignifying of each Rotarians' occupation as an opportunity to serve society.
- 3rd** - the application of the ideal of service in each Rotarian's personal, business, and community life
- 4th** - the advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four Avenues of Service

Based on the Object of Rotary, the four Avenues of Service are Rotary's philosophical cornerstone and the foundation on which club activity is based:

Club Service focuses on strengthening fellowship and ensuring the effective functioning of the club. The committee organizes social activities for the club, maintains and order supplies, promotes club involvement and friendships.

Community Service covers the projects and activities the club undertakes to improve life in its community. The committee supports the effort of the club to achieve community understanding by developing projects, assisting in community efforts and supporting the continued overall improvement of the community.

International Service encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace. The committee raises money for the Rotary Foundation which supplements Club and District projects to improve the quality of life, provide health care, clean water, food, education and other essential needs primarily in underdeveloped nations.

Vocational Service encourages Rotarians to serve others through their vocations and to practice high ethical standards. The committee provides opportunities for members to learn more about other vocations through weekly guest speakers, member vocational talks and community service tours.

Thought for the week:

Wisdom is to the soul what health is to the body.
